#Item 15.a.5

REGULAR MEETING

TO: Honorable Mayor & Members of the
Biscayne Park Village Commission

FROM: Sharon P. Ragoonan, Village Manager

DATE: January 10, 2017

TITLE: Village Manager's Report: Perez Art Museum Miami (PAMM) 2017
Inside|Out Program

Recommendation

It is recommended the Mayor and Village Commission approve the proposed implementation plan and appoint residents to assist the Public Art Advisory Board in promoting and identifying locations for 10 temporary art installations provided by the Perez Art Museum Miami (PAMM).

Background

In November 2016, the Public Art's Advisory Board prepared and submitted the 2017 Community Participation Request Form, via the Village Manager, for consideration by the Perez Art Museum Miami (PAMM) as a site for the Inside|Out Program (see Exhibit 1). The program involves the temporary installation of art from the PAMM collection consisting of high resolution replicas from the museum. The artists are local and international with a strong base from the Caribbean and Latin America.

On December 27th, 2016, PAMM informed the Village Manager that the Village of Biscayne Park was selected for the PAMM Inside|Out for Spring 2017. Biscayne Park was selected from 17 applications along with Opa-Locka, Overtown, Little Haiti, Surfside, and North Miami Beach. They plan on installing 10 works throughout the community from February through April 2017. They will visit our community to gain a better idea of where the works can be installed (outdoors) and what other community collaborators and local businesses can be involved. The date of the initial meeting is Thursday, January 19th, 2017 from 9:00 am – 11:00 am in the Log Cabin.

To ensure the success of the program, the Village Manager recommends the following:

- The Public Art Advisory Board spearheads the program and the Village Manager serves as the liaison to the Village Commission.

- The Biscayne Park Foundation, Recreation Board and Parks and Parkways Advisory Board assign one member from their board to the program.
- Each elected official appoints a resident to the program.

This composition of stakeholders reinforces cross-collaboration amongst the various committees, encourages interaction and involvement of participants from a broader audience in the Village, and stimulates the promotion of the program.

The submission of resident appointments by each Village Commissioner is needed by Tuesday, January 10th, 2017 in order to provide the Public Arts Advisory Board sufficient time to make contact and coordinate with each person and the individual boards identified above.

Resource Impact

Anita Braham, PAMM Manager of Adult Programs and Community Partnerships, indicated that the organization provides the materials and manpower to install and remove the works throughout the community. The anticipated day of installation is anticipated to occur in the first week of February. They will also assist us in promoting the program online, social media, and print media.

An agreement will soon be provided and forwarded to the Village Attorney for review.
